

Building Bridges

Creating Inclusive Communities

Thursday July 29, 2010

10:00am to 3:00pm

12:00pm to 1:30pm Lunch Break on your own

Join us for Building Bridges in Columbus. This interactive session will cover basic disability-related content and focus on building skills. Topics that will be addressed include: Disability Awareness, Guiding Principles, Inclusion, Value-Laden Language, Understanding the Relationship between Words, Attitudes and Actions and Common Tips for Etiquette. Please come prepared with your comments and questions, a portion of Activities will include an Ask-it Basket Q&A time. Resources will be provided, including tips and strategies to "Keep the Conversation Going."

Other topics that will be discussed include:

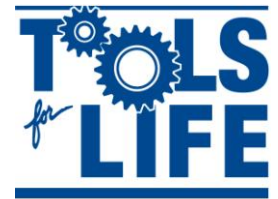

- AT Reuse – Equipment Collection Site
- Transportation
- Employment for People with Disabilities
- Emergency Management
- Independent Living
- Support Networks

Credits Available!
